**Subject:** when you talk to Kathy  
**Attachments:** Retained Waters feedback from November EPA.docx

I conveniently brought home my retained waters folder so looked at the FACA report and my scribbles on the briefing paper for Dave/Ryan from November. Attached are the issues I pulled from the paper and what notes I took. Looking at the issues we teed-up for them, it's not clear to me what other issues need to be discussed in options selection. I know that I am missing something, so please help me.

Thanks!
